

Freedom Through Jesus

About E3_Freedom

E3 stands for Enrich, Encourage, Empower. This can only be done through Jesus. It's not a program, but a journey of FREEDOM that will truly transform your life. I am only God's vessel to assist clients with their Freedom from being stuck. God sets you FREE. It is scripture based and I rely on the HOLY SPIRIT to lead me and my clients. You must WANT this!

Group Sessions:

Total of 2 sessions via Zoom-
Two consecutive weeks.

How do I know if Freedom is for me? Questions to ask of yourself as a born again believer:

- Are there "barriers" in my life that are holding me back?
- Do I feel "stuck" in my thoughts and actions even after praying?
- Am I in a captive state with my thoughts which prevents me from moving forward in my true God destined purpose?
- Am I craving "rest" true "freedom" that only God can provide?
- Do I feel distanced from God and can't seem to hear from him?

**If you have answered "yes" to any of these questions - you are not alone. I too have experienced this.

Topics included in the sessions:

- Defining and discussing barriers in your life & open doors
- How to close the doors that need to be closed, how to forgive and let go.
- What are Soul ties?
- Freedom & how to stay FREE

My Certification:

- I have certified in the Spiritual Warfare program
- This is continuous education and I am very committed to furthering my education.
- I have the heart for God and HIS people and that in itself takes commitment, prayer and time.
